The International Circle of Friends Association Wolfsburg e.V.

You are interested in international topics?

Then we would like to introduce you to the **International Circle of Friends Association Wolfsburg**

The "Internationaler Freundeskreis Wolfsburg e.V." (IFK) provides interested citizens the opportunity to exchange information, opinions and experiences about international matters and the constantly growing globalization which can be seen everywhere and especially in Wolfsburg. It is also where people with different nationalities, cultures and religions get the chance to meet and to establish and support equal understanding, integration and tolerance.

The "Internationaler Freundeskreis Wolfsburg e.V." was founded by the city of Wolfsburg and citizens in spring of 2006.

One of the main goals is to reinforce and develop Wolfsburg's image and reputation as an open, tolerant and forward-looking city.

The IFK also supports the City of Wolfsburg in its efforts to maintain and expand its sistercity relationships along with other existing and future international initiatives. Our aim is to contribute towards peaceful and harmonious coexistence between German and foreign citizens in Wolfsburg as well as towards international understanding.

In addition, the "Internationaler Freundeskreis Wolfsburg e.V." also organizes lectures, concerts and discussion evenings regarding current international matters. Regular members meetings are also held.

Particular emphasis is placed on the promotion of activities in the areas of youth affairs, education, culture and sports.

By networking with key individuals and internationally oriented institutions in Wolfsburg we are able to achieve a high level of interaction and cooperation.

Young Friends

Topics such as globalization, internationality and intercultural networking are becoming more and more important especially for the younger generations. Internationality is the lived experience of encounters with different cultures. The Young Friends – the youth sector of the "Internationaler Freundeskreis" – offer their own events and exchange opportunities for the younger members. The regular meetings provide a great occasion to get in touch. Furthermore, the Young Friends participate in athletic activities in the area and are offering own trips.
