

Dear members and friends,

we are very proud to continue our annual 'WOBinar' series. For our WOBinar events, we have invited guest speakers from various backgrounds, sharing their personal and professional experiences on the benefits and challenges to life abroad. With this approach, we wish to facilitate a discussion forum for individuals that are either working and living abroad or are considering doing so.

Our next keynote speaker will be

## Stephan Wöllenstein

Head of the Project Management Office (PMO) of the global performance programme "ACCELERATE FORWARD | Road to 6.5, former CEO of Volkswagen Group China

Join us on  
**Tuesday, 17<sup>th</sup> of October 2023**  
**at 7 pm**

You can either join us at the **Kunstmuseum Wolfsburg**,  
Hollerplatz 1 in 38440 Wolfsburg or from home.

To listen to the presentation from home please use the following link:

After a short introduction into Mr. Wöllensteins key milestones you are all invited to participate an open discussion and ask questions. We would like to express our gratitude to our host, Kunstmuseum Wolfsburg, whose continuous partnership and support has made this experience possible.

In order to be a member of the live audience please register yourself at [ifk@stadt.wolfsburg.de](mailto:ifk@stadt.wolfsburg.de).

We are looking forward to see you!

Kind regards,  
Tim Hondke

We are pleased to welcome Stephan Wöllenstein as our speaker. He has lived in China for over ten years, gaining valuable insights during his various roles within the Volkswagen Group.
